Dear AESD Families,

The following information is provided to keep you informed about the Anaheim Elementary School District:

School Reopening Update

This week the AESD Board approved a plan to delay the planned reopening of schools in response to the surging COVID-19 data which continues to rise across all of Orange County. The following schedules for a safe return will be implemented:

March 15, 2021

- Pre-school students return (1 day per week in person)
- PK-6 SDC students return (5 days per week in person)
- TK/K students return for blended learning (2 days per week in person)

March 22, 2021

- Grade 1-6 students return for blended learning (2 days per week in person)

On Tuesday, December 8, 2020, the AESD School Reopening Advisory Committee met to review the preparations the District is taking to maximize safety when it is safe to reopen our schools. The following [presentation](#) was also reviewed during the December 9, 2020, AESD Special Board meeting.

Please know that our District continues to place the safety of all stakeholders as our top priority. Additional information on your child's school reopening plan and daily schedule will be provided by your site administrator.

The District will continue to monitor the guidance from the state and COVID-19 data for Anaheim with a focus on the health and safety of our staff, students, and community. We will continue to communicate any changes in our calendar to stakeholders as soon as possible.

Thank you for your ongoing support of our District. We wish you continued health and safety.

Sincerely,

Dr. Christopher Downing
