Dear Parents and Guardians of all enrolled pupils in the Anaheim Elementary School District,

Recent legislation requires that we inform you of your right to enroll your student in either an in-person instruction setting in your home school or in an Independent Study Program, at the Anaheim Elementary Online Academy, during the 2021-22 school year.

Parents choosing an Independent Study option have the right to request a pupil-parent-educator conference meeting before enrollment to review the academic program delivery, student support, enrollment process, specific academic expectations as well as the withdrawal process.

Along with many of our program support opportunities, each Independent Study program will offer:

- For pupils in Kindergarten to 6th grade, inclusive, a plan to provide opportunities for daily synchronous instruction via Microsoft TEAMS for all pupils throughout the school year.
- A plan to transition pupils whose families wish to return to in-person instruction from independent study expeditiously, and, in no case, later than five instructional days.

If you'd like to learn more about Independent Study options please contact 714-517-7526. If your child has an IEP please contact the school IEP team.

On behalf of our Board of Education and all staff members, thank you for your continued support of the Anaheim Elementary School District.

Sincerely,
Dr. Christopher Downing
Superintendent
