Dear AESD Families,

The following update is provided to keep you informed regarding the Anaheim Elementary School District:

Update on Weekly COVID-19 Data for Anaheim

Our District continues to prioritize the health and safety of stakeholders as our top priority. Although California no longer reports data within the tiered colored system, the City of Anaheim updates their data weekly. There were 356 new cases reported across Anaheim's seven ZIP codes for the seven days through December 7, up from 191 the week prior.

If your child is experiencing COVID-19 symptoms, please keep him/her home and contact your child's health care provider. Please contact your school to report the absence; a COVID-19 related absence is excused. If someone in your household tested positive for COVID-19 and is currently under quarantine or self-isolation, your child should follow the guidelines from the Orange County Health Care Agency (OCHCA) on how long to remain at home and when to return to school.
