Dear AESD Families,

The following update is provided to keep you informed regarding the Anaheim Elementary School District:

### **Update on Weekly COVID-19 Data for Anaheim**

Our District continues to prioritize the health and safety of stakeholders as our top priority. Although California no longer reports data within the tiered colored system, the City of Anaheim updates their data weekly. For the seven days through Aug. 23, Anaheim saw 599 new cases, down from 683 new cases a week earlier.

It is important that we all remain vigilant in our safety protocols, continue to wear masks indoors when in close proximity to others, frequently wash our hands; and seek testing when displaying any symptoms of COVID.

### **Parent Portal Data Confirmation**

*The Anaheim Elementary School District uses the Online Data Confirmation process for updating any contact information, the Household Income Survey, as well as to review and agree to the Parents and Students Rights and Responsibilities Handbook for the 2022-23 school year.*

*This process allows you to update and review your child's emergency contact information and other important data. To ensure we have the most current information regarding your student and family, please complete Data Confirmation by **September 23rd**.*

*Starting **today** you can [access the Aeries Parent Portal here](#) to update and review all of your information. For assistance with accessing the Aeries Parent Portal and updating your information, [please see the guide here](#).*

### **AESD Volunteers**

AESD welcomes volunteers to support school sites in various capacities. If you are interested in participating as a Tier 1 or Tier 2 volunteer, please submit your application online at [aesd.org/volunteer](http://aesd.org/volunteer).
